REVISION #1: CONTRACT HAS BEEN EXTENDED THROUGH JUNE 15, 2000.

This contract covers only those items listed in the price schedule. It is the responsibility of the agency to ensure that other items purchased are invoiced separately. State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the original PG. Agencies will return to the vendor any invoice which reflects incorrect pricing.

AGREEMENT #	CONTRACTOR	CONTRACT COVERAGE
*****	*****	*****

ROOFING MATERIALS

Shingles, Felt, Membrane, Coating, Mastic, Drip Edge and Nails

CONTRACT COVERAGE:

Roofing materials specifically listed in this solicitation are the ONLY items that may be purchased against this contract(s). Other roofing materials such as tile, standing seam metal roofing, membrane roofing, tar and gravel built-up roofing and other types of roofing and roofing materials are NOT covered.

AREA OF COVERAGE:

Contracts have been awarded on a county by county basis with primary and secondary contract holders. Secondary contractors supply materials only when the primary contractor is either unable to provide the requested material, unable to provide the required amount, cannot deliver the material within the requested time period, or delivery charges are deemed excessive. Should the secondary contractor not be able to fulfill the requirements of the ordering entity, then the ordering entity may utilize, first, any other primary contractor or, second, any other secondary contractor of an adjacent county to meet its needs.

CONTRACT PRICES:

All prices are F.O.B. DESTINATION DELIVERED which includes any off loading required. Contractor agrees to delivery materials to any point within the county(ies) designated. Occasionally, a contract may not cover a specific county or the contracted vendor(s) cannot provide materials as required; in such cases, an ordering entity may desire to contract with a primary or secondary vendor beyond the county(ies) designated in the contract. In such a case, the contractor is authorized to charge a one-way mileage rate for each mile beyond the original contracted county(ies) boundary(ies).

One-Way Mileage Rate - \$1.00 per mile

STOCKING CHARGE:

At the time of order, an ordering entity may request that materials be stocked directly to the roof top of the building being re-shingled. Contractor agrees to provide this service for an additional fee of \$.50 per bundle of shingles.
